Department of Housing and Residence Life

MISSION STATEMENT

The Department of Housing and Residence Life supports the Student Services mission through the development of safe, comfortable, living learning communities that are conducive to academic success and personal and social development.

COMMUNITY LIVING EXPECTATIONS: THE BASICS

Introduction

- Blinn College District (hereinafter referred to as “College District”) is a multi-campus postsecondary educational institution with a residence life program contained on the Blinn-Brenham campus. Residence halls and on-campus apartments are available for students to live in while pursuing their educational endeavors. The College District is responsible for ensuring that residence life is supportive of the educational mission of the institution while maintaining a safe and supportive housing experience for each student. This publication is subject to change without notice. Additional information that the resident may find helpful is included herein.
- By completing the Residence Life Application and signing the Housing Agreement, students agree to adhere to the College District policies and procedures set forth in this document while residing on campus. Lack of familiarity with applicable policies does not constitute a reasonable defense for violation of policies. The College District reserves the right to institute additional policies and procedures applicable to the College District Residence Life and to amend or modify any policy or procedure contained herein without any prior notice as the College District determines to be appropriate.

Housing Agreement

- Each resident must electronically sign the Housing Agreement as part of their housing application. The Housing Agreement covers the full academic year that the resident is enrolled at the Brenham Campus of the Blinn College District. For purposes of this handbook, academic year shall be defined as beginning at the start of the Fall semester through the end of the following Spring semester.

Separate Housing Agreements are available for students who will only attend Spring or Summer semesters.

Room Assignments

- The Housing Office reserves the right to move residents to another hall or housing unit for any of the following: safety reasons, to conserve energy, to conduct repairs, or any other circumstances deemed necessary by College District staff.
- **Room Changes** - No room changes will be made until after the second week of the semester. All room change requests must be submitted to and approved by the Office of Housing and Residential Life. Any resident requesting a new roommate may be required to change rooms. Residents changing rooms must follow standard check-in and check-out procedures. Failure to follow these procedures will require the students to return to the originally assigned room and/or be assessed a fee.
- **Hall/Apartment Transfers** -If space is available, residents may be permitted to transfer to another residence hall or apartment. This request must be made to and approved by the Office of Housing and Residential Life. The same procedure must be followed when checking in and out of the room as stated above.
- **Special Housing Assignments** - Students with disabilities requiring special housing arrangements must complete an application for housing to the Office of Housing and Residential Life and submit justification to Department of Housing and Residence Life.
- **Blinn College Park Apartments (BCPA) Eligibility Requirements** - Apartment-style living offers a more independent living option for students and requires the student to have a high level of maturity. Furthermore, students who live in BCPA housing and violate the Code of Conduct or other College District policy are at risk of being removed from BCPA housing. Eligibility for living in BCPA housing does not guarantee placement in BCPA housing. Students must apply for BCPA housing and be approved by the Office of Housing and Residential Life. Eligibility for BCPA housing is based on the following criteria:
 - Current Blinn Students
 - Minimum 2.25 GPA
 - Disciplinary record: Two or less points
 - Will be given priority over new students
 - New Blinn Students
 - Minimum 3.0 GPA from high school

- Two letters of recommendation [emailed to housing@blinn.edu](mailto:housing@blinn.edu) (from current high school administrator, teacher, or counselor)

Requests for exceptions to these requirements must be submitted to the Office of Housing and Residence Life for review. The Office of Housing and Residence Life reserves the right to place special populations in the BCPA facilities.

- **Room Consolidation** - The Department of Housing and Residence Life reserves the right to make assignment and reassignment of accommodations as deemed necessary. Residents will be required to consolidate upon notice from the Department of Housing and Residential Life. Residents occupying single rooms must select one of the following options:
 - Elect to contract and pay the additional fee for the private room. This option is permitted only if space is available and approved by the Office of Housing and Residential Life.
 - Choose to move to another half-filled room in the same building.
 - Residents who are directed to consolidate but fail to do so, will be billed automatically for a private room. Residents who refuse to accept an assigned roommate, or who elect to pay for a private room after a roommate is assigned, will also be automatically charged the private room rate prorated from the date single vacancy occurs.
 - If a resident is occupying a double room without a roommate, the resident must:
 - Keep the unoccupied half of the room in the condition that would allow someone to move into the room on short notice.
 - Agree to accept a roommate assigned by the Department of Housing and Residence Life.

Criminal Background Check

- Blinn College conducts criminal background checks on all housing residents prior to acceptance into campus housing and prior to each semester. Additional background checks may be conducted at any point during the school year. Students with a pending Class B or higher charge will not be allowed to live on campus until verification of dismissal from the court has been provided. Should a student be charged with a criminal offense during the course of a semester which would preclude them from being a housing resident, that

resident will not be eligible to remain in housing. The student may reapply for housing at a later date, but will be subject to all housing requirements.

Health and Wellness Check

- In accordance with Blinn College District Board Policy [FFAC\(LOCAL\)](#), students may be subject to a health and wellness check prior to move in and randomly during the academic year. Students displaying a temperature of more than 100.4 degrees (a fever, as defined by the CDC) will not be allowed to move in to their housing assignment under their fever has subsided and they are fever free for 24 hours without fever-reducing medication. Students who refuse to be tested will not be allowed to move into the residence halls.

Health Insurance Requirement

- All students are REQUIRED to maintain health insurance coverage continuously while enrolled and attending Blinn College. The student must provide proof of coverage that meets the requirement of the College. Any lapse in coverage during the time the student is enrolled at the College will be considered a breach of the housing agreement and will result in the immediate removal of that student from their housing assignment.
- Students who have been removed from Housing due to lack of insurance must provide proof of insurance to the Office of Housing and Residence Life in order to move back into the halls. Proof of insurance includes, but is not limited to, a valid health insurance card.

Attendance Policy/Below Hours

- Students who live in campus housing are required to enroll in a minimum of 12 credit hours per semester and remain enrolled in 12 hours throughout the semester. Students are required to attend all of their classes regularly. If the student accumulates two weeks' of absences the student will be administratively withdrawn from class. For more information on Blinn College's Attendance Policy, see Board Policy [FG \(LOCAL\)](#). When a resident drops below 12 credit hours, the resident has 3 class days to begin the academic reinstatement process or complete an appeal to stay in on-campus housing. If reinstatement is not possible and the appeal is denied, the resident must move out within 48 hours.

- Appeals will be heard by the Director of Housing and will take academic performance, discipline record, and additional circumstances into consideration. If a resident is approved to remain on campus below (12) hours and commits a discipline violation, the student must vacate from campus housing within 48 hours of notification. All class drops must be approved by the Office of Housing and Residential Life. No refunds will be issued for housing or meal plans after the eighth week of class. Prorated amounts may be issued for cancelled housing assignments prior to the eighth week of class.
- The fall and spring semesters are 16 weeks long. There are 8 parts of term inside the 16 week semester: 1st 4 week, 2nd 4 week, 3rd 4 week, 4th 4 week, 1st 8 week, 2nd 8 week, 12 week, 16 week.

- Students who move into housing at the beginning of the fall or spring semester must 1) be enrolled continuously for the entirety of the sixteen-week fall or spring semester and 2) stay enrolled in at least twelve hours total during the course of the 16 week semester except under exceptional circumstances approved by Vice-Chancellor of Student Services.
- Below is an example of a student's schedule who is not continuously enrolled for the entirety of the semester:
 1. **MATH 1314 College Algebra** in the 2nd 8 week part of term. = 3 credit hours
 2. **PSYC 2301 General Psychology** in the 2nd 8 week part of term. = 3 credit hours
 3. **SPAN 1411 Beginning Spanish I** in the 12 week part of term. = 3 credit hours
 4. **ARTS 1304 Art History I** - in the 3rd 4th week part of term = 3 credit hours

- This student is not enrolled in any class in the first 4 weeks of the semester and therefore is not enrolled continuously for the entirety of the sixteen-week semester.

Grade Point Average (Required GPA)

- No student with less than a 2.0 cumulative grade point average (GPA) will be allowed to live in student housing. At the end of each long semester, students who fail to have a 2.0 cumulative GPA are notified by email that they no longer meet the GPA requirement to live on campus, and that their room will be cancelled. An appeal to remain in housing below the GPA requirement may be filed. Failure to submit an appeal by the appeal due date results in automatic cancellation of the students' room for the upcoming semester. Students on academic probation or suspension must submit an appeal to the Office of Housing and Residence Life in order to live on campus. Students will not be eligible to live on campus again until their institutional cumulative GPA has been raised to 2.0 or higher and reapply to return to housing.

Identification Card (Blinn ID)

- Each student must obtain a Blinn College Student Identification Card (ID) from Enrollment Services prior to moving into their housing assignment. A Student ID is not transferable and may not be used by or given to others. It can be used to swipe for meals in the Dining Hall and other food service locations, to check out materials in the library, and is needed for entrance into College sponsored activities. Students must have their current Student ID with them/on their person at all times and present it willingly upon request by any student or professional staff member, or any Blinn College Police Officer. Students must present ID when entering a residence hall.

Keys, Cards, and Fob Access

- Keys, access cards, and fobs to doors/rooms/apartments are issued during the check-in process. Duplication of keys and loaning keys to others is strictly forbidden. Locks must not be altered or added to student residences, or resulting charges will be assessed. Keys are the property of Blinn College and must be returned to the Residence Hall Director at the end of the resident's occupancy. Residents must carry their keys or cards at all times. Broken, lost, or stolen keys/cards/fobs must be reported to the Residence Hall Director immediately. Lost key, card, or fob fees are charged to the student's account before replacements will be issued.

- Residence hall access (white) cards and fobs will be replaced for \$25 each. If a student loses their room (gold) key, the student will be subject to a \$50 room door lock change which includes the new key. Failure to return keys at check-out will result in a charge of \$50 room key and lock change fee.
- The Blinn College Park Apartment key will be replaced for \$50. When an apartment key is lost, locks must be re-keyed. The replacement charge is \$150 to the resident who lost the key. Failure to return the BCPA room key at check-out is \$150 room key and lock change fee.
- **Improper Use of Room Key** - All occupants are issued a designated key and/or access card/fob to gain entrance into their residence hall and/or apartment room. At no time may a resident allow anyone other than themselves to be in possession of these items. Allowing another resident, student, or person access to a living space they are not assigned to can jeopardize the safety of all students residing within a hall. Individuals who violate room key usage policy will be issued a disciplinary summons. If an individual loses possession of their key(s) and/or access card, they should contact Hall Staff immediately. Hall staff will apply the appropriate charge to the students account for replacement keys, white cards, and fobs.
- **Improper Change of Room** - All occupants are assigned a given space (Hall, Room #, Bed #.) No resident is allowed to switch rooms with any other resident without proper clearance through the Office of Housing and Residence Life Office. No resident may move out and allow another person to move into their assigned space without proper clearance through the Office of Housing and Residence Life. Residents who do so will be issued a disciplinary summons and will be fined.

Room Condition Sheet

- The evaluation of the room condition and the inventory of the furnishings must be recorded on the Room Condition Sheet (RCS) prior to move in. It must be signed and returned to housing staff prior to move-in in order to be valid. A complete listing of existing room damages, missing furniture and other irregularities is imperative. This form serves as a contract between Blinn College and the occupying resident on the move in condition of the student's residence hall room or apartment. Any excessive wear or damage to the room located at check-out that is not indicated on the Room Condition Sheet at move in is the responsibility of the resident and damage charges may be assessed accordingly.

Buc E-mail Accounts

- The Blinn College student email account is the primary communication method between Blinn College and students including communication from the Department of Housing and Residence Life. Students are required to activate and regularly check their account to receive College communications. Failure to activate the account does not relieve the responsibility of not receiving important messages sent to the student. Blinn College partners with Microsoft Windows Live @ Edu to provide e-mail accounts to future, current and former Blinn students. Each student is provisioned an account once their application is complete.
- To verify your email address in MyBlinn
 1. You can log into MyBlinn to determine your Blinn e-mail account.
 2. It should appear as the following:
Firstname.LastnameLast2digitsBlinnID@buc.blinn.edu
- To start using your account
 1. Go to: <http://outlook.com>
 2. Enter your Windows Live ID and e-mail address: (See instructions above to verify email in MyBlinn)
 3. Enter your password.
Your initial password is your date of birth in the format mmddyy
(For Students enrolled before Fall 2011 who never set up email, the password is last six digits of student ID)
- For additional information go to the Blinn Web page and click the “e-mail” link.

Community Living Agreements

- All students must complete a Community Living Agreement within the first week of moving into their housing assignment. This document is a living contract between the resident and their roommates and suitemates addressing how cleaning, conflict, and shared living issues will be handled throughout the semester. Students complete this document in the presence of their Resident Assistant who will help mediate concerns of residents as they work through the document. Students are expected to uphold the agreement they set forth with their roommates at the beginning of the semester. Any changes to the original contract need to be

updated with the Residence Hall Director of the resident's respective building.

Signs/Notices/Fliers

- Residents must pay special attention to all signage posted in the hallways and on resident doors. This is a frequently used means of communication by the College District to distribute information regarding registration, check out, holiday close down, etc. Do not remove or tamper with notices posted by College staff. All signs or posters must be approved before they are displayed. If signs are tampered with, damaged or removed, general charges will be issued to the entire hall \$10 per sign for replacement. See "Group Billing" under Community Living for further details.

Safety Tips

- **Crime Stoppers** - To anonymously report a crime students may contact the Blinn College District Crime Stoppers by texting 274637, key word "BUCTIPS" with any information. This information is **not** monitored 24 hours a day. In the event of a true emergency, please contact 911 or the Blinn College District Police Department at 979-830-4100. This system is not meant for reporting noise violations. Information of this type should be reported directly to the Residence Hall Director/Resident Assistant or the Blinn College District Police Department, if necessary.
- **Personal Safety Escort** - When on campus and feeling uncomfortable going from one destination to another, students can request a safety escort from a uniformed Blinn College District police officer. For an escort, call 979-830-4100.

TITLE IX: NON-DISCRIMINATION

Title IX was created in the Education Amendments of 1972 to prohibit discrimination (to exclude, separate, deny benefits to or otherwise treat differently) based on sex. This includes discrimination based on same-sex, gender identity or failure to conform to stereotypical notions of masculinity or femininity. Any form of sexual discrimination, harassment, misconduct or violence will not be tolerated in the Blinn community.

Title IX applies to ALL STUDENTS and employees (as well as applicants for admission) at educational institutions (and off-campus) regardless of their sex, sexual orientation, gender identity, part- or full- time status, disability, race or national origin in all aspects of educational programs and activities. All students deserve the right to a fair and safe educational environment.

Sexual Harassment:

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal misconduct when the misconduct is so severe, pervasive, or objectively offensive that it limits or denies a student's ability to participate in or benefit from the College District's educational program.

Examples of Sexual Harassment

- Sexual jokes, gestures, comments or looks (repeated and unwanted, or to the extent of creating a hostile and/or threatening environment).
- Forced or coerced sex act, including instances in which a person is incapable of giving consent due to use of drugs or alcohol, or due to disability.
- Spying on someone or following someone in sexual way.
- Forced kissing.
- Spreading sexual messages about someone on social media.
- Calling someone homophobic names.
- Making unwelcome sexual advances to a student.
- Public sexual indecency against a student.
- Continuing to express sexual interest in a student after being informed the interest is unwelcome.
- Nonconsensual touching or groping, including unwanted hugging or shoulder rubbing.

Blinn College Non-discrimination Statement:

The Blinn College District, including its career and technical education programs, does not discriminate on the basis of race, color, religion, sex/gender, national origin, disability, age, or any other basis prohibited by law. A lack of English language skills will not be a barrier to admission and participation in career and technical education programs.

Title IX Coordinators:

Blinn College has designated the following persons as coordinators to monitor compliance with these statutes as they related to students and to resolve complaints of discrimination based on race, gender, age or disability.

Any student who believes that they OR another student has experienced sexual discrimination, harassment, misconduct or violence should immediately report the alleged acts to:

EMERGENCY PROCEDURES: A – Z

Threats to Safety (Active Shooter, Bomb Threat, Dangerous Conditions)

- In the event of an imminent threat to life safety (i.e., an active shooter on campus, bomb threat) Blinn Alerts will be sent. Please follow all instructions provided within the alerts, or given by emergency response personnel. When in doubt, find shelter in a safe, secure area away from harm.

Blinn Alert System

- The Blinn Alert System is an emergency mass notification tool used by Blinn College District to inform students and provide safety information in the event of an emergency. This system can alert students via e-mail, phone call, and/or text message. To be warned of any pending danger, students must update their cell phone, text messaging, and/or alternative email contact information by going to their MyBlinn portal and completing the instructions for setup. All residents are expected to activate their Blinn e-mail account and check it regularly as Blinn Alert messages will be sent to this account.
- When the College initiates an emergency message, by default the student will be contacted by the method(s) selected. The call sequence will cease, when the affirmative response message has been received.
- Enrollment in the program is free. Cell phone carriers may charge fees if students do not possess a plan that includes calls/messaging; consult carrier for details. Blinn College will not use this contact information except in an emergency with the potential to affect health and safety.

Camera (Surveillance) System

- To help deter theft, damage, and to monitor the traffic flow in and out of the residence halls, surveillance cameras are installed. Tampering with surveillance camera equipment is viewed as a threat to community safety and may result in damage charges, removal from housing, and possible legal action. Recorded activity may be used as evidence in the campus judicial system or in legal proceedings.

Fire and Fire Alarms

When the fire alarm sounds, EVERYONE must exit the building immediately. Follow instructions below.

Primary Escape Route: Emergency exit doors at the end of each hallway. If living in the apartments, immediately exit the front door, go down the stairs nearest your door (if applicable), and move away from the building.

Secondary Escape Route: Inner common use stairwells.

Prior to Evacuating the Residence Hall Room

1. If your door is hot to touch, **DO NOT OPEN IT!**
 - a. Roll up a wet towel and place it at the base of the door to prevent smoke penetration.
 - b. Use a secondary means to exit the room.
2. If your door is cool to the touch, **OPEN IT SLOWLY.**
 - a. If you encounter heat and/or pressure in the hallway, leave your room carefully, closing the door behind you, and proceed to the nearest exit/stairwell to the designated area to be counted by a staff member. (If possible, alert other students on your way to the exit.)
 - b. If the hallway is clear, close your door behind you and proceed to the nearest exit/stairwell. (If possible, alert other students on your way to the exit.)
3. Always use stairs to evacuate the building.
4. If you encounter smoke, take short breaths through your nose and stay close to the floor (crawl if possible).
5. DO NOT attempt to remove personal items.
6. If your clothing catches fire: STOP...DROP...AND ROLL!!!
7. Once outside the building, move far away from the building and wait until recalled by an authorized College District official.
8. Students with disabilities who require assistance in evacuating should alert their Hall Director and Resident Assistant in advance.
9. ALWAYS REMEMBER YOU ARE NOT EXPECTED TO FIGHT A FIRE.

Fire Drill

- Fire drills are conducted every semester to educate residents on how to react in the event of a fire in the campus housing. Fire safety and evacuation safety routes and procedures are explained at the first Hall Meeting. Become familiar with the exit routes, posted at focal points in each building. You are required to participate, if present, in periodic fire drills. **Evacuation is mandatory when the alarm sounds.** Failure to evacuate during a fire alarm could result in summons, fines, and/or legal repercussions.

Fire Extinguishers

- Fire extinguishers are provided in the halls as a safety device for use in the event of a fire. As a student, your responsibility is to evacuate

the building. YOU ARE NOT EXPECTED TO FIGHT A FIRE. If you attempt to fight a fire or use the fire extinguisher, you are doing so at your own risk.

Missing Person

- In the event of a Missing Person, the student's designated emergency contact will be contacted no more than 24 hours after the time the student is determined to be missing. If there is reason to believe that a student is missing, all possible efforts will be made to locate the student to determine the student's state of health and well-being. Efforts to locate the student will be a collaborative effort between Blinn College District Division of Student Services and Blinn College District Police Department, fellow students, family, and friends.

Severe Weather

- In the event of immediate severe weather (i.e., tornado, severe thunderstorm), a Blinn Alert will be sent and housing staff will direct students to a location within each facility to take shelter.
- In the event of inclement weather (i.e., hurricanes, winter weather, flash flooding) housing staff will coordinate with students to make arrangements for evacuation or shelter within the facility. Blinn Alerts and announcements will be used to communicate with students as severe weather situations develop.

COMMUNITY LIVING: A – Z

Abandoned Property

- Abandoned property is defined as items that are left when residents check-out of their residence hall room or apartment. A fee of \$50 will be charged to the responsible resident for any abandoned property. If the property is not picked up within one (1) week of check-out, the items will become the property of Blinn College. Abandoned items will be confiscated and the contents will be disposed. Abandoned cars will be towed at owner's expense.

Bicycles

- Bicycles racks are provided near on-campus housing facilities. Bicycles cannot be stored in hallways, stairwells, or resident rooms or apartments. Bicycles should not be stored or chained to outside stairwells. Blinn College District is not liable for damage to or loss of bicycles. If bicycles are left chained to bicycle racks more than one

(1) week after the end of a semester, the bicycles will become property of the Blinn College District Police Department and will be removed. Residents should register bicycles with the campus district police department, located on the first floor of the Student Center.

Check-in and Checkout Procedures

- Check-in and check-out procedures are crucial. Students must complete all check-in paperwork before occupying their housing assignment. Prior to leaving campus at the end of every semester, each student must complete all designated check-out procedures. Students will be notified of designated check-out procedures via email and fliers placed on resident doors and in hallways. Students are expected to check out within 24 hours of their last final exam or by the terms designated closing date and time, whichever comes first.
- **Residents must check out with Housing and Residence Life Staff** - Failure to follow the posted check-out procedures, including leaving on time, will result in the resident incurring a \$25.00 improper check-out charge. Residents are expected to checkout and complete a check-out form for Thanksgiving Break, Winter Break, end of semesters, and Spring Break. Residence Life staff will collect and inspect these forms.
- **When a resident departs early**, the student must remove ALL possessions. Items cannot be stored in the room with the roommate or another resident. Charges will be placed on the former resident's account. The abandoned items will be confiscated and the contents will be disposed. If residents agree to hold belongings from another resident after a resident is removed from housing and fails to remove that student's belongings upon checkout, each student will be charged a \$75 fee for abandoned property.
- **Holidays** - College District housing is officially closed for designated holidays as listed on the Blinn College District Calendar. Room rates do not cover these holiday periods. Campus housing officially closes at 5:30 pm before the holiday period begins. **YOU MUST LEAVE ON TIME.** Valuable possessions should be removed during these periods. Blinn College District is not liable for property that is vandalized or stolen.
 - **Winter Break (Three Criteria)** - In order to leave things in rooms between the Fall and the Spring semesters, residents must meet three criteria. The resident must: (1)

be returning to the same room, (2) be registered for the next semester, and (3) their next semester bill must be paid IN FULL or have verification of adequate scholarship or financial aid. If the resident does not meet all 3 criteria, all possessions must be removed from the room. Leaving items will incur a \$75.00 abandoned property fee. Leaving items between any other semesters is not allowed without express written permission from the Office of Housing and Residential Life. Housing may be available for student populations who need to remain on campus due to an extreme circumstance or related to College sponsored event(s).

Children in the Halls/Apartments

- Childcare is not permitted in campus housing. No student is allowed to house a child in on-campus housing temporarily or overnight.

Dress Code

- Residents and their guests are expected to dress appropriately, following generally accepted community standards of neatness, cleanliness, and modesty. Clothing should remain free from pornographic, vulgar, images and/or language. Pants are to be worn around the waist at all times. Sagging of pants below the waist is prohibited. Workout clothing should be worn modestly outside of housing or gym facilities. Shoes must be worn in lobbies and dayrooms of the residence halls, and when entering or exiting the building. No student may walk barefoot in the hallway or across campus.

Facilities

- **Alterations to the Room/Apartment** - Alterations, changes, or remodeling of the premises, interior or exterior, are not permitted. Students are expected to report maintenance issues to Housing Staff. Students should not use tacks, sticky tack, or tape to hang items on walls. Only Command products may be used to attach items to residence hall walls and must be removed properly without damage to the wall upon resident checkout (also see Decorations section).
- **Bathroom Cleaning** - Students in suites or apartments are responsible for maintaining sanitary conditions of the bathroom facilities by cleaning the sinks, toilets, and showers regularly and taking out the trash daily. Do not use drain cleaners in clogged

drains. For clogged drains, notify the Housing Staff who will notify Maintenance. Custodians clean guest restrooms regularly, but students are expected to help keep the bathroom clean and not damage the facilities or products put there for the residents' convenience. No foreign objects, including food, should be put in toilets, sinks, or shower drains. Students will be responsible for damage resulting from misuse of the aforementioned objects.

- **Cleaning Supplies** - Residents must supply their own cleaning products.
